- Please refer to the specific requirements of each department for information about the requirements and contents of the professional exams for all majors.
- The results of professional exams will be announced before 04/15/2015 by the conservatory. Examinees can check the information on the admissions website of our conservatory: zhaoban.ccom.edu.cn.

IV. Admission and Enrollment

Admission

The admission notice will be sent to the international students officially admitted as undergraduate students by post by July 15(according to local postmark).

Screening and Probation of New Students

The first three months after the enrollment is the screening period for the new students. The first academic year is the probation period for the new students. During the period, our conservatory will have their nationality identified, professional courses, professional basic courses and physical exams reviewed. Those who are not eligible for admission or have played favoritism and committed irregularities will have their academic status cancelled immediately once discovered.

Tuition Fee Standard

According to the provision of National Ministry of Education, our conservatory charges tuition fees. All the enrolled new students in 2015 must pay tuition. Approved by the price control department, the tuition is aimed to be 38000 Yuan/person/year for international students of all undergraduate majors in our conservatory.

Note: After the announcement of the brochure, if the tuition standard of our conservatory is adjusted with approval from relevant competent department, we will charge tuition fees according to the new policy.

Musical Instruments and Costumes after Enrollment

After being admitted, examinees must prepare all the instruments by themselves except the piano, percussion instruments (excluding snare drum) and the harp. Unified stipulation will be laid down by the conservatory for the standards of costumes, which students need to prepare by themselves when participating in all kinds of art practice.

V. Registration

1. Government-supported students must register with the International Students' Office (Room 1507, New Apartment Building for International Students) and the Educational Administrative Department on the specified date with the JW201 form, the admission notice, health check-up report, CSC materials and six half-length photos (3.5 X 4.5cm).
